Report of Chapter Members Becoming Alumni

Chapter members who graduate, do not return to school, or relocate to a school that has no Delta Omicron Chapter automatically become alumni.

Chapter Second Vice President sends this report to the Province President and the Executive Secretary at the close of each term. List the names and addresses of all members who will graduate or not return to school. Provide current and home address and date leaving school. If a member is transferring, please provide that information and what school on "current address" line.

To remain in "good standing" (to be eligible for Fraternity benefits), alumni members must maintain annual dues of \$30.00 or seek life membership (see IB 314). Graduating seniors may pay \$30.00 dues in the spring term to begin their payment schedule toward life membership (see IB 314). **Dues paid in the fall and spring of the senior year may count as two payments of the ten-year installment plan.**
