National Annual Dues
Collegiate Chapters

(Due October 31)

In accordance with Article VI, Section 5, of the 1968 BYLAWS, each collegiate member shall pay national dues (\$30.00) each school year unless she/he is a life member. Members initiated during the current school year are exempt from national dues for that school year. Members not paying dues are considered NOT IN GOOD STANDING and will be subject to the Board of Director's policy for non-dues payers (July 25, 1994)

Payment of a Life Membership exempts members from the payment of any future national annual dues. Collegiate members who desire to pay for Life Membership may do so at any time by paying the full amount of \$300.00. Use IB 314, Life Membership Application. Chapter Treasurer may collect new life membership fees and send them in full in lieu of the member's annual dues.

Fill in the information below and return this sheet, together with a check or money order for the indicated amount, to the Executive Secretary. Make check or money order payable to DELTA OMICRON FRATERNITY. **List the name of each member of the chapter and check the correct column for each. Please list names in alphabetical order. Attach this form to IB 364 before sending to the Executive Secretary.**
