

Delta Omicron International Music Fraternity Summer Music Scholarship Information

BASIC CRITERIA

All applicants must be Delta Omicron members in good standing, having paid national dues for the current year or be a paid Life Member.

Summer Scholarships can only be used for short-term, **NON-CREDIT** summer workshops and camps either in the USA or abroad. Virtual or hybrid workshops that meet the criteria will be considered at the discretion of the committee on a case by case basis. Virtual/hybrid workshops must have an interactive component where participants engage with instructors and other participants in real time.

The scholarships cannot be used for graduate or undergraduate for-credit study, or for-credit study abroad. Scholarships may not be used for conferences and conventions. Funds will be awarded based on program fees, and the awarded amount will not exceed \$500.

Summer Scholarships through the Delta Omicron International Fraternity are separate from the Delta Omicron Foundation Educational Grants, which have their own limitations, rules, and application procedures. Please consult the DO Foundation website for those awards.
